

Curél.
What skin needs.™

With menopause
comes new changes.
New strength.
And new ways to
comfort skin.

NEW Curél® Menopause & Beyond Lotion.

Combats the 3 symptoms of menopausal skin – itchiness, dryness and loss of elasticity. Contains an ingredient known to boost collagen production, and **leaves skin 2X more hydrated**. All in a dermatologist-tested, non-greasy formula. Learn more at curel.com/lifestages.
